

Stower Vale Pre-School

STUDENT PLACEMENT POLICY

The Pre-School welcomes the chance to encourage training. We accept student placements and recognise this as an opportunity to examine and revise our own practice. We will accept one student at any given time. More than this places undue pressure on the staff.

Students are welcome at Stower Vale Pre-school under the following conditions:

- The children’s needs are paramount, students will only be allocated places in small numbers.
- Any studies made on children must have written permission from the parent/carer of the child concerned.
- Students must abide by the Confidentiality Policy as stated by Stower Vale Pre-school.
- No student will have unrestricted access to the children.

All students on placement must adhere to the same codes of conduct as permanent staff and also applies to time-keeping and dress codes. Students are attached to a senior member of staff who supervises their work and explains the safety and fire requirements. All students are encouraged to contribute fully to the Pre-School routine and to spend some time in each area. Students must not be left alone with children.
